

UPDATE: The 8th International Symposium on Meniere's Disease and Inner Ear Disorders Postponed to April 25-28th, 2024

Dear attendee of the 8th International Symposium on Meniere's Disease and Inner Ear Disorders,

We are very sorry to inform you that this meeting, scheduled to be held in April, 2023, has to be postponed once again considering the current epidemic of Covid-19, which is still prevalent worldwide including China. We sincerely apologize for any inconvenience caused as such, but we also hope you could understand our endeavors in trying to secure health and safety of all participants including senior colleagues. Please kindly save the new date as stated below and adjust your itinerary accordingly. Your understanding and support is very much appreciated. Let's look forward to a safe and splendid meeting after the epidemic pandemic.

REVISED CONFERENCE DATE

Updated conference date: April 25-28th, 2024. PLEASE SAVE THIS NEW DATE!
